Repeat last printout

You have the option of repeating the last printout in a simple manner.

To do this, click in the menu bar on **Settings/Repeat last printout** or on the corresponding icon:

The following window opens:

Repeat printing	×
You can repeat the last print. Printed: 04.07.17, 20:15:29 o'clock	Print F8
Copies: 1	
2 Setup printer	

- 1. Select the number of copies you want to print.
- 2. Click on *Printer setup*, if you want to make changes to the layout.
- 3. Click on *Print* to start the printout and confirm the prompt with *Ja*:

Start printing	×
Do you want to start the reprinting?	
✓Yes	

Please note that only the original printout that has been sent to a printer as a print job can be repeated. Screen printing is no longer possible here.
