PC CADDIE://online APP plus responsive design

The PC CADDIE://online APP includes all golf courses that wish to be connected to it. The golf course provides the services it has to offer. If a golf club has tee times and coach bookings, these are available under its name. However, if it has tournaments, these are publicised accordingly.

The responsive design ensures perfect implementation on your website.

If you have any problems with the application or comments about the APP, please contact us via our contact form and select PC CADDIE APP users (golfers).

Download APP

Download our booking APP for golf services for iOS, Android or Windows Phone.

This will take you to the PC CADDIE://online APP in just a few steps:

</ignore>{{de:online:app:android.png?direct|Download Android}}

- Simply tap the button that matches your device to start the download of the free PC CADDIE://online APP.
- Install the APP on your respective end device.
- Log in with your existing PC CADDIE://online access data.
- Select the club with which you would like to make your bookings.

😉 Have fun with the cross-club PC CADDIE://online APP.

QR code

Here you will find the appropriate QR code. This opens the appropriate APP store. The QR code recognises the device.

Plus responsive design

- Responsive web design ensures that PC CADDIE://online services are automatically adapted to the respective output device.
- This goes hand in hand with the PC CADDIE://online APP. The services booked with us are optimally adapted both in the APP and on your website.
- This offers perfect convenience for your customers.
